Telework Trends and Best Practices: How Today's Economic and Environmental Factors are Influencing Telework Options

December 18, 2008

2:00 p.m. to 3:00 p.m. EST

Free Flex-Options Teleconference

Hosted by the U.S. Department of Labor, Women's Bureau

Join us to learn from **Elham Shirazi**, a national expert in transportation planning and telework. Ms. Shirazi has developed and evaluated telework programs for hundreds of public and private firms including GE Energy, Home Depot, Delta Airlines, Kaiser Permanente, AT&T, MetLife, County of Los Angeles, and the State of Georgia. She has also consulted on the topic with the White House, U.S. Congress and the U.S. Department of Transportation. More information will be available soon on other speakers joining Ms. Shirazi to share telework best practices.
